Hashers Just Want to Have Fun

(To: Girls Just Want to Have Fun by Cyndi Lauper)

New boots¹ chug beer to pass their test,
Old guys² wish girls would just show their
breasts,
But this time they're not the fortunate ones,
And hashers they want to have fun,
Oh hashers just want to have fuuuuun.

DFL³ yells "R U?" from the back of the pack,
The FRBs⁴ think everyone else is a hack,
Cause secretly they want to be number one,
Those hashers they want to have fun,
Oh hashers just want to have fun.

That's all they really waaaant,
Some fuuuuun,
When the long, hard trail is done,
Hashers - they want to have fun,
Hashers just want to have fuuuun.
