The H3 Veterans Team seen relaxing in traditional Hash manner at the Big Walk, Kupia Lumpur, 1990. From Left to Right: LEW DAVIDSON, BASIL COOPER, DAVID MORTIMER, JOHN WYATT-SMITH, TONY MOLESWORTH & BOB LOCHOR

This historic picture of "HASH HOUSE" was supplied by Frank Woodward, now living in Devon, England. Frank took this picture in 1929 when he both lived at "HASH HOUSE" and ran regularly with the Harriers of the day.

★ RUN NO. 327, SUNDAY, NOVEMBER 24, 1985 - Veteran Hare Steve "Geek" Gardner hastily touched up his trail during a brief lull in the pouring rain this afternoon, and the pack of some 20 true harriers took off from the West By Northwest business park near West Little York and U.S. 290. The first check sent the whole pack on one long false trail before the scent was found on the railroad tracks. Then, half the pack charged down a long string of tankcars (not on trail, as it turned out) before converging with the other half. The trail then took us into some brushy shiggy and along another track before ending in the deserted back streets of the business park. Part of the pack tried without success to run a loop through the woods washed out by the rain. The On On adjourned by caravan to a parking garage at the Gulf Coast Club on Hollister. NEW BOOTS PETE SMITH and KEITH BROWN did their Down Downs, with Pete Smith commenting that he had rightly guessed that this would be the kind of crazy people to show up to run in a downpour. Geek instituted a ceremony for giving Hash Names to everyone. After a bit of song, we moved on to Clyde's to ON ON ON.

"I'm a Catholic, Sidney How the hell would I know whether or not it's kosher?"
